

# House Harvest

LABOR DAY WEEKEND

Friday - Sunday  
**08.29-31.08**

**LEARNING TO LISTEN TO THE KING AND DO WHAT HE SAYS**

How do we build Kingdom focused businesses to provide financial freedom in ministry? How do we bring Kingdom impact in the jobs we have? How can we best touch the world outside the U.S. with and for the Kingdom? How can we do all of this while also deepening our intimacy and fellowship with each other and our King?

**2008  
HOUSE  
CHURCH  
CONFERENCE**

**FEATURED SPEAKERS** Dennis Balcombe Missionary extraordinaire to the Chinese house church movement Tony & Felicity Dale Founders of House2House, authors of *An Army of Ordinary People*, *Simply Church* and other publications to equip and encourage simple church believers Wolfgang Simpson Author of *Houses that Change the World* and *The Starfish Manifesto* Frank Viola Author (with George Barna) of *Pagan Christianity* and many other books informing and equipping simple church believers Paul Young Author of *The Shack*, a runaway bestseller that has taken the Christian world by storm this past year.

**CHILDREN'S MINISTRY** John and Shirley Tasch will be with us again to bless our children. This is the highlight of the conference for those who have brought their children in previous years. The Tasch's exemplify what we believe about God working through children, namely that the Lord does not give children a "junior" Holy Spirit. John and Shirley will be helping your children learn to hear from the Lord and respond obediently to His voice.

**NETWORK LEADER'S MEETING** Running from Thursday evening to early Friday afternoon, this day is for those who are already carrying the responsibility for leading in one or more house churches. The cost for the Network Leader's meeting is \$40, which includes dinner on Thursday evening. Register for this meeting along with the conference and make sure that you book yourself in the hotel Thursday night. Space is limited this year, so sign up early!
